February 2021

ELECTIONS

Every year we ask for residents to volunteer themselves to help run our community. Please consider spending a small amount of time to help your community remain a beautiful place to live.

You were sent a first notice from Campbell Mgt., regarding our Annual Meeting on March 24th. If you would like to serve on the Board of Directors please fill in the "Notice of Intent" form at the bottom of this page.

FORGET YOUR DUES PAYMENT

Ever get a notice you dues were not paid? Ever forget your monthly dues payment?

There is a plan that will save you this recurring monthly obligation. You can sign up for a ACH-EFT automatic direct payment from your bank to Bristol Lakes bank.

There is a form on our web site to set up your payment. Go to the web site www.bristolakes.com and scroll down the left side till you see ACH-EFT Funds Transfer.

IGUANAS

Yes we are still aware of our Iguana problem, however with the cool weather they are not as active as they are in hot weather. We have been in constant contact with our trapper and on his advice, we will wait.

TRASH IN THE LAKES

It seems like we are getting trash in our lakes. Please make sure your garbage cans have closed lids. Also, if you are around the lakes do not throw ANY waste in the lakes. The prevailing winds force the ugly waste to the west ends and it is very unsightly for our residents , your neighbors!

INAPPROPRIATE BEHAVIOR

The board has been made aware recently of a few incidences of inappropriate behavior by neighbors, reckless driving, vandalism, trespassing, and loitering. While the board is certainly concerned about these incidences we are not in a position to enforce laws. If you experience such activities it is your best recourse to either call 911 or contact the Palm Beach County Sheriff's non-emergency number at the Jog Rd substation 561 688-4860 . The police are in a much better position to respond and deal with such situations.

HELP KEEP OUR COMMUNITY BEAUTIFUL

- 1.No Garbage Cans out before 5 PM on Tuesdays and Fridays
- 2 Yard Waste not allowed at the curb until 5 PM Tuesday.
- 3.Recycles Friday after 5 PM Bulk Items on Tuesday after 5 PM.
- 4.Trash Cans not visible from the street.
- 5 No cars parked on the street overnight unless approved..

Thanks for your cooperation.

LANDSCAPING

Branches which overhang a property line can be cut back to the property line. It would be considered courteous and polite to ask permission of the property owner before any actions take place to eliminate the encroachment. It is not legally necessary, however it may help maintain amiable relations with neighboring homeowners.

CLEANING FOR A REASON.ORG

If you know any woman currently undergoing chemotherapy, please pass the word to her that there is a cleaning service that provides FREE household services, once per month for four months while she is in treatment. All she has to do is sign up and have her doctor fax a note confirming the treatment.

Cleaning for a Reason will have a participating maid service in her zip code area arrange for the service. This organization serves the entire USA and currently has 547 partners to help these women. It's our job to pass the word and let them know that there are people out there who care.
