Progress on Entrance Way

The Board signed a contract with TSM Landscaping to improve the beauty of our Community's front entrance. The work should start in mid September. The contract will include maintenance and flower changes twice a year.

Continuing Problem will be enforced

Dog Poop... Disgusting as this sounds, it is a problem in Bristol Lakes. Poop is being found on our lawns and in our garbage cans. We all love pets but some pet owners plain do not care about their neighbors. Our documents require our pets to be leashed, controlled and picked up after. If you see an inconsiderate neighbor, please report it to a Board member or send a complaint thru our web site www.bristollakes.com and we WILL follow up.
